## **Water Efficient Landscape Ordinance Reporting Form**

5	Permitted projects subject to the ordinance during the reporting period (*e.g., single family residences, commercial projects, landscape retrofits for which permits were finaled during the reporting period, etc.):	None
6a	Total landscape area subject to the ordinance over the reporting period:	None
6b	Unit of Measure (sq. ft. or acres)	▼
	During the reporting period, how many of	
7a	the following types of projects did your	
	agency issue final permits on:	
7b	new housing starts	-
7c	new commercial projects	-
7d	landscape retrofits	-
8	Describe the procedure for review of projects subject to the ordinance:	Prior to installation and construction, the Applicant shall submit: Project information; Water Efficient Landscape Worksheet; Soil management report; Landscape design plan; Irrigation design plan; Grading design plan; and Certificate of Landscape Design. Upon installation and prior to final inspection and approval, the Applicant shall submit: Project information; Certificate of Completion; Irrigation scheduling parameters used to set the controller; Landscape and irrigation maintenance schedule; Irrigation audit report conducted by a third party certified landscape irrigation auditor; Soil analysis report, if not already submitted; and Documentation showing that the approved Certificate of Completion has been submitted to the local water purveyor and property owner.
9a	Describe actions taken to verify compliance:	
9b	Is a plan check performed?	Yes ▼
9c	If so, by what entity?	Planning Department
10	Describe implementation and enforcement measures:	Prior to issuance of final building permit, approved landscape plan and certificate of landscape design. Prior to building final, certificate of completion and final inspection.
11	Explain challenges to implementing and enforcing the ordinance:	
12	Describe educational and other needs to properly apply the ordinance:	
13	Additional Comments:	

Please submit reports, including a copy of your local water efficient landscape ordinance, via email to WELO@water.ca.gov by December 31, 2015. Agencies preparing a regional ordinance must submit an additional report by March 1, 2016. For questions, please call Ms. Julie Saare-Edmonds at (916) 651-9676.
